

City of Carson Active Transportation and Community Connectivity Plan

Join us at a Community Meeting for the City of Carson Active Transportation and Community Connectivity Plan. The City is developing a comprehensive Active Transportation and Community Connectivity Plan to add and to connect infrastructure for safer, more accessible walking, biking, and rolling for school children, families, residents, and visitors.

Join Us!

We need the community's input to help shape this plan. Join us at one of the below meetings to meet the project team, ask questions, and provide your valuable feedback. Spanish interpretation will be available at each meeting.
