Public Safety Advisory Committee (PSAC)

Metro is committed to safeguarding the transit community by taking a holistic, equitable and welcoming approach to public safety, recognizing that each individual is entitled to a safe, dignified and human experience.

The Public Safety Advisory Committee (PSAC) has been established to support Metro in achieving this mission.

What is PSAC?

Metro’s PSAC is comprised of a diverse group of individuals from throughout Los Angeles County who regularly ride the system and have professional or personal experience that meaningfully contributes to the committee.

Members have expertise in racial justice, equitable transit, social services, homelessness, mental health, accessibility, public safety, and law enforcement.
